---

### Public Advisory

Attention residents: Due to heavy rain, flash flooding is expected in our area. Please stay indoors and avoid unnecessary travel. If you live in a flood-prone area, prepare to evacuate. Follow local news for updates and stay safe. Remember, flood waters can be dangerous and may contain debris. Have an emergency kit ready and know your evacuation routes.

### Key Talking Points

- Stay indoors and avoid travel during heavy rain.
- Prepare to evacuate if you live in a flood-prone area.
- Follow local news for real-time updates.
- Flood waters can be dangerous; avoid them at all costs.
- Volunteers are needed to assist with response efforts.
